

# FASCIAVENT

BY DCI

Durable airflow made to last

US Patent  
#6,447,392

**FasciaVent** allows air to enter through the fascia board, under the roof decking structure and out the ridge vent or other installed exhaust device. Your gutter can be installed directly onto FasciaVent or a metal capping can cover the vent.

FasciaVent is ideal for all roof types and pitches. Rated 9NFA
